

INVESTMENT OBJECTIVE

The fund has sustainable investment as its investment objective and seeks to achieve current yield and capital gains, through investment in a diversified portfolio of primarily high yielding debt securities issued in the United States or major eurobond developed markets. A combination of top down and bottom up analysis is used to identify higher quality names with strong and improving credit fundamentals.

IMPORTANT INFORMATION

This document was prepared by Nomura Asset Management U.K. Ltd, from sources it reasonably believes to be accurate. This document is not intended in any way to indicate or guarantee future investment results as the value of investments may go down as well as up. Values may also be affected by exchange rate movements and investors may not get back the full amount originally invested. Before purchasing any investment fund or product, you should read the related prospectus and fund documentation, including full details of all the risks associated with it, to form your own assessment and judgement on whether this investment is suitable in light of your financial knowledge and experience, investment objectives and financial or tax situation and whether to obtain specific advice from an investment professional. This document may not be reproduced or redistributed, in whole or in part, for any purpose without the written permission of Nomura Asset Management U.K. Ltd. This is a marketing communication. Please refer to the prospectus and to the PRIIPs KID or UCITS KIID as appropriate for your relevant jurisdiction before making any final investment decisions. Investment in high yield securities generally entails increased interest rate, credit, liquidity and market risk. Investment in non-investment grade securities may subject the fund to heightened litigation risks and / or prevent their disposal. Investment in securities of distressed entities may involve sudden and erratic price movements and volatility. The fund is a sub-fund of Nomura Funds Ireland plc, which is authorised by the Central Bank of Ireland as an open-ended umbrella investment company with variable capital and segregated liability between its sub-funds, established as an undertaking for Collective Investment in Transferable Securities under the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011. The UCITS fund is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation. The prospectus, key information document (PRIIPs KID), key investor information document (UCITS KIID) - as appropriate for your relevant jurisdiction - and other fund related materials are available in English and, for the PRIIPs KID, in the official language of the countries in which the fund is available for distribution on the Nomura Asset Management U.K. Ltd. website at <https://www.nomura-asset.co.uk/fund-documents/>. A summary of investor rights in English and information on collective redress mechanisms are available at https://www.nomura-asset.co.uk/download/funds/how-to-invest/Summary_of_investor_rights.pdf. Nomura Asset Management U.K. Limited may at any time decide to terminate arrangements it may have made for the marketing of units of a fund in a member state other than its home member state. The EU Sustainable Finance Disclosure Regulation ("SFDR") requires investment firms to formalise how sustainability is integrated into their business and processes, and to make new public and client-facing disclosures on sustainability matters. The aforementioned disclosures relating to Nomura Asset Management U.K. Limited are published on the website. Product related disclosures regarding Nomura Funds Ireland PLC, its sub-funds can be found in the prospectus. This fund is an Article 9 fund according to SFDR.
